## **APPOINTMENTS**

Punjab Agri Export Corporation Limited, a leading name in Fruit & Vegetable Processing, PET Beverages, Sauces & Spreads etc is currently in an active phase of expansion and diversification with upcoming IQF, Culinary, and Aseptic Beverage lines.

We are looking for experienced, Quality Assurance and Control professional (appropriate designation will be offered based on relevant qualification and experience) for ensuring adherence to food safety systems, process validations, documentation, and regulatory compliance. The role includes developing and implementing SOPs, conducting internal audits, driving certifications, and ensuring compliance with BRC, HACCP, ISO, and FDA standards purely on contract and performance basis.

No. of Posts	Location	Qualification & Experience
1	Hoshiarpur, Punjab	Post Graduate / Graduate in Food Technology / Food Processing / Food Science from a recognized university with a minimum of 8 years of experience in quality assurance and food safety systems within the fruit & vegetable processing or beverage industry. Hands-on experience in certifications, audits, and process validation will be preferred.

Applications/CV's to be submitted at the above-mentioned address by 01.12.2025 (Monday) before 10:00 a.m. For more information please visit our website.
